

Position Title: Chief Executive Officer – Northern Beaches Hospital

Position Purpose

This role will lead all aspects of Northern Beaches Hospital performance to ensure the hospital meets its clinical, operational, business and workforce objectives, and ensure the hospital delivers exceptional care.

Key Accountabilities

Improve Experiences:

- Build and maintain culture and structures which prioritise the experiences of people, patients and partners including VMOs and exceptional care.
- Build a team that is high-performing, informed, adaptive and values-led.
- Build and maintain a talent pipeline that enables Healthscope to grow careers internally. Create a work environment where individual potential can be met, to ensure current and future clinical and business can be achieved.
- Develop and lead systems and strategies to attract, develop, engage, retain and grow talented employees.
- Establish, grow and maintain strategic partnerships with key stakeholders.
- Identify, recruit and deliver an experience that retains and grows VMOs, government and public hospital leaders.
- Lead and deliver the hospital's commitment to service excellence and patient centred care, as measured by patient, staff and doctor satisfaction surveys. Maintain excellent customer service to enhance the profile of the hospital and Healthscope with both internal and external key stakeholders. Encourage a participatory team approach to service delivery and canvass ideas and strategies to enhance the service delivery.
- Lead the hospital's commitment to quality improvement and achievement of accreditation, including leadership or participation in relevant meetings, committees and audits. In line with national policies and procedures, ensure a current hospital wide quality plan is implemented, complied with and evaluated.
- Deliver budget and manage performance by being accountable for service and financial outcomes, including managing to defined KPIs.

- Ensure Northern Beaches Hospital complies with requirements under the Public Private Partnership with NSW Health
- Foster exceptional relationships with NSW Health stakeholders and across the Local Health District, to ensure the best outcomes for Healthscope, its people, VMO's and patients.

Grow Our Business:

- Deliver commercial outcomes of the hospital through daily management of hospital performance, OPEX and Capex budgets and operationalisation of health fund negotiations.
- Work closely with the State Manager to (1) execute the Healthscope strategy by delivering strategically aligned services, (2) establish, grow and maintain strategic partnerships and (3) prepare and execute capital requests and business cases. Work closely with doctors and other relevant stakeholders to identify and deliver revenue opportunities in line with strategy.
- Utilise financial data to diagnose business strengths and weaknesses and identify the implications for potential strategies.
- Identify and execute on opportunities to grow the hospital's market share through investment which extends the breadth and depth of clinical services and offerings.
- Drive sustainable transformation and change implementation (including process improvement).

Healthscope Safe Values – We care. We do. We strive. We're a team.

- Practices, role models, champions and holds people to account to live the Healthscope Safe Values
- Creates a workplace that protects the health, safety and wellbeing of our people; leads and undertakes duties in alignment with Healthscope's Health and Safety system and framework.

Capabilities for Success

- **Execution of Strategy and Delivery of Business Outcomes** - Ensuring others contribute to organisation strategies by focusing them on the most critical priorities, measuring progress, and ensuring accountability against those metrics.
- **Operational Decision Making** - Securing and comparing information from multiple sources to identify business issues; committing to an action after weighing alternative solutions against important decision criteria.
